

The world's favourite lock

# 10

reasons why your doors should be fitted with Yale multipoint locks

## G2000

An ASSA ABLOY Group brand

ASSA ABLOY

**Yale**

The world's favourite lock

**1**

Providing locking solutions for over 100 years

**2**

### Multiple Locking Points

Provides high levels of security and guarantees you complete peace of mind.

**3**

### Hookbolts including centre hookbolt

Engineered to provide high levels of security against forced attack by gripping the frame and sash together. This also creates a weather tight seal.

**4**

### Stainless steel faceplate

For robust, non-corrosive and long lasting performance.

**5**

### Rollers (stainless steel)

Provides a weatherproof seal and offers additional security by tightly binding the door sash and frame together.

**Yale**

### Branded Cylinder Range

**6**

- ¥ Euro profile double cylinder
- ¥ Euro profile keyed alike in pairs
- ¥ Euro profile thumbturn cylinder

7
